Index and Introduction

Congratulations and Thank You!!!

Thank you for choosing to work at Meadowlodge Bible Camp this summer. We trust that it will be a rewarding experience for you as you work with many other staff members for the Glory of God's Kingdom.

As camp time approaches we are sure that you will become excited, and perhaps a little nervous about what to expect when you get to camp. This manual gives you lots of information to help you prepare for camp. It also answers many of the questions that you have. We encourage you to become familiar with its contents so that you will be ready to work at camp.

The information in this manual has been developed over many years, by many different people. The Staff Development Committee would like to thank those who have contributed to this manual, and in particular Yin Lui, Greg Gurnett, Stan King Sr., Janet Turner, Gary Short, and Jared Hess. Many others have contributed and we thank them for their efforts. Unfortunately, we do not know the names of everyone that has contributed, but the Lord does, and He will reward all of them for their efforts.

As a staff member, please remember that you are not alone. If possible, the Camp Director will be in touch with you and will meet with you and the other staff to help in the planning of the camp week. This will also be a time for you to ask questions regarding what you have read, and make suggestions about the planned program activities. There will also be a camp training day in early June. Please plan to attend so that you can learn about camp, and also meet staff that will be working at Meadowlodge at the various summer camps. It is an excellent way to make new friends.

Thank you once again for volunteering to work at Meadowlodge Bible Camp. We are sure that you will have a great experience this summer, and that God will richly bless you for the service you provide for Him at camp.
